featured a 5K and 10K running competition as well as a one-mile family fun run, with a portion of the proceeds going

towards GenYOUth, a health and wellness nonprofit best known for its in-school wellness program, Fuel Up to Play 60, a partnership with the NFL and the National Dairy Council to encourage healthier lifestyles in school-age children. The event also featured a kids zone, live music, local food trucks and post-race yoga, according to organizers.
